

Show Management will provide 24-hour general perimeter security for the duration of the show. Security does not guarantee Exhibitors against loss, theft, or other mischief and by no way implies an assumption of liability for loss, destruction or theft or vandalism of any of the exhibitors' property or injury to any of the exhibitors' personnel, agents, or employees. If you would like individual booth security, this service can be hired directly through the security vendor.

All Exhibitors and booth personnel must have Exhibitor Badges in order to have access to the Exhibit Hall. Badges are not transferable. Exhibitors will have access to the exhibit hall 30 minutes prior to the opening of the show and 15 minutes after the show closes each show day. **DO NOT SCHEDULE APPOINTMENTS WITH ATTENDEES PRIOR TO THE SHOW OPENING.**

Security Tips:

- Be sure that each potential customer is supervised to avoid theft.
- Remove small items on a nightly basis.
- Hire a private duty security guard (Optional).
- Have replacements available either onsite, at a local distributor or on stand-by at your office for overnight shipment.
- Do not list contents on outside of boxes (*e.g.: Box 1 - Personal Computer*)
- Carry a detailed list of what you ship, in each box and repack in the same manner. Keep a copy in your office and check your shipment when it returns.
