

## BOOTH LIGHTING & OUTLETS

### **ADDITIONAL LIGHT & OUTLET RENTAL RATES:**

Lights – 75 Watt LED	Advance Rate	\$140.00
Outlets	Advance Rate	\$170.00

All light and outlet orders can be placed using your “Booth Design Form”. [Please click here to access your “Booth Design Form”.](#)

### **ON-SITE:**

Once you have completed your artwork installation, please inform the on-site Exhibitor Service Desk to request booth light focusing (if required).

### **GUIDELINES:**

- Gallery exhibitors receive 4 Lights per booth.
- No outlets are included in your booth package.
- All lighting for the fair must be uniform.
- **No exhibitor furnished lights will be permitted.**
- Missing lights will be charged to the exhibitor at \$300.00 per light at the end of the show.
- It is mandatory that all exhibitors have lights in their booth(s). Any exhibitor submitting a “Booth Design Form” without light placement will be required to have the minimum light allotment installed for their booth size. We will “force hang” your lights where we feel appropriate and any cost incurred for changes by the exhibitor after the deadline or onsite will be charged directly to the exhibitor.

### **LIGHT MODIFICATION CHARGES:**

The above light and outlet prices include fixture, electrical installation / breakdown, electricity and labor charges. The electrician will place your lights and/or outlet in your booth according to the placement marked on your “Booth Design Form.”

Any changes to the light placement onsite may result in the exhibitor being charged for additional labor charges above the per unit rates listed above.
